If, at the expiration of ONE WEEK after the conclusion of the sale, the books or other property are not cleared or paid for, they will then be catalogued for immediate sale, and the expense, the same as if re-sold, will be added to the amount at which the books were bought. - IX. To prevent inaccuracy in the delivery, and inconvenience in the settlement of the purchases, no lot on any account can be removed during the time of sale.
- X. Upon failure of complying with the above conditions, the money required and deposited in part of payment shall be forfeited ; and if any loss is sustained in the re-selling of such lots as are not cleared or paid for, all charges on such re-sale shall be made good by the defaulters at this sale.
